Dear Ms. Hoard:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/06/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I reviewed child and staff records. I observed children in care engaged in a variety of developmentally appropriate activities, including singing/dancing and child care staff reading to the children. I also observed handwashing and snack time. The child care staff interacted with the children the entire time by singing/dancing with the children, reading a book, and sitting with them and talking to them while eating a snack.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
