Dear Emily Choi,

This letter is to advise you that the 3/22/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143(1)	I reviewed 10 child information cards, and 6 cards were missing required information such as employer names and phone numbers, physician information, allergies/special needs, and release information.	The licensee designee stated that she would obtain the missing information on the child information cards.	04/22/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact Carrie Harris at (269) 615-5617 or harrisc15@michigan.gov.
