Dear Nancy Hendriksen,

This letter is to advise you that the // corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8340(3)	The water bottles from the home, did not have first and last name or the date on them.	We have sent a letter home to parents informing them that all water bottles that come to the center have to have the childs first and last name and the date on them. If the water bottle arrives without this information on them, the staff will put the information on the water bottle when they arrive at the center.	1/15/24

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
