Dear alyssa Thompson,

This letter is to advise you that the 4/17/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|-----------------|---|---|----------------------|
| R 400.8152(4) | One Epi Pen did not have the pharmacy label. | Pharmacy label will be attached to the Epi Pen | 4/19/24 |
| R 400.8340(3) | Eight of the 11 water bottles did not have a first or last name, and 11 of the water bottles did not have the date. | All water bottles have been labelled and masking tape and a marker are available for when a child brings a new water bottle | 4/17/24 |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
