Dear Ms. Peters:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/16/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the inspection, I reviewed child and staff records. I observed child care children engaged in developmentally appropriate activities, including imaginative play-cooking “Christmas dinner,” drawing, playing with magna-tiles, staff reading books to children, and eating snack. The child care staff were sitting with the children, talking, reading, and playing with them.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions at (269) 568-2686. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.
