RE: License #: DC390313702
CDC - Forest

Comstock, MI 49048

Dear Dr. Peterson:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/08/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the inspection, I reviewed child and staff records. I observed child care children transitioning from nap to bathroom breaks and then snack and children coloring pictures and playing a game with connecting monkeys to learn letters, colors, and counting. Child care staff were interacting with the children by encouraging them during bathroom/handwashing and snack time and playing the game with connecting monkeys with them. I went over helpful links, what to expect at renewal, and answered questions with the program director as she is new to the child care center.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
