**Kalamazoo, MI 49048**

Dear Ms. Robinson:

This letter is to advise you that the 06/06/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8143(1) Children's records	Eleven child information cards were reviewed. Four out of eleven child information cards were missing information, including the date of admission, and allergy information.	Licensee/program director will have all parents review the child information cards and complete each required line. Licensee will review the cards to make sure parents completed each line. These will be reviewed and updated annually.	07/11/2022
R400.8143(2) Children's records	Eleven child information cards were reviewed. Three out of eleven child information cards were not reviewed/updated annually by parents	Licensee/program director will have all parents review the child information cards and complete each required line. Licensee will review the cards to make sure parents completed each line.	07/11/2022

		These will be reviewed and updated annually.	
R400.8143(3) Children's records	Eleven children's records were reviewed. Two out of eleven records were missing a certificate of immunizations or a copy of a signed immunization waiver.	Licensee/program director will have the parents bring copies of missing immunizations and health appraisals when children return to center in July. Updated immunizations and health appraisals will be maintained on file for each child. A checklist will be used to keep each file organized and current.	07/11/2022
R400.8143(6)(c) Children's records	Eleven children's records were reviewed. Four out of eleven records were missing a current/updated health appraisal/physical signed by the physician.	Licensee/program director will have the parents bring copies of missing immunizations and health appraisals when children return to center in July. Updated immunizations and health appraisals will be maintained on file for each child. A checklist will be used to keep each file organized and current.	07/11/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions at (269) 568-2686.
