### Findings of the Inspection

**Purpose of Addendum:** The licensee requested the addition of ages birth to 12 years for all buildings to allow for the flexibility to move classes throughout the campus.

**Findings and Conclusions:** All Lead, Environmental and Fire inspections are on file with department. Measurements were previously obtained from the department and on file. An onsite was not required.

If you have questions regarding the report, please contact licensing consultant, Jennifer Blake at 269-615-5347 or blakej2@michigan.gov. In the event that Jennifer Blake is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.

<b>Description of Facility</b>
The child care center is located on the campus of Kalsec. There are three buildings that make up the center. All building share a gated outdoor area connecting them.

### Approved Child Use Space

The licensee/ licensee designee understands that the ratio of child care staff member to children and the maximum group size is determined by the youngest child in the room. Equipment in the room must be appropriate for the ages of the children in the room.
