Dear Norma Ash,

This letter is to advise you that the 3/18/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8128	One out of seven child care staff files reviewed did not have proof of a negative TB test prior to contact with children.	Program will obtain and keep on record proof of a negative TB test prior to contact with children. Program HR Department and Site Supervise will monitor for compliance.	3/17/24
R 400.8125(5)	One out of seven child care staff files reviewed did not sign the abuse and neglect statement prior to unsupervised contact with children.	Program will ensure that all staff/volunteers sign the abuse and neglect statement prior to unsupervised contact with children. Program HR Department and site supervisors will monitor for compliance.	3/18/24

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
