Dear Mr./Ms. Keenan:

This letter is to advise you that the 02/21/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

8380(1)	The toddler classrooms had a number of hazardous materials such as scissors, cords and a stapler in unlocked cabinet drawers within child reach.	Will have staff move materials	2/21/23

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
