R 400.8380(1)	A table in the child care center was not in good repair or safe condition when the edging was peeling off exposing a sharp edge that Child A hit her chin on, which required stitches.	The day after the incident new tables were purchased and put in the classroom, replacing the tables that CHILD A hit her chin on. Photos were sent to Jennifer Blake.	2/1/24

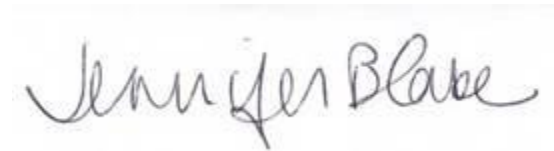

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.
