RE: Application #: DC390413128
Bloom at Vineyards
8079 Vineyard Parkway
Kalamazoo, MI 49009

Dear Ms. Losure:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, an original license with a maximum capacity of 25 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script that reads "Julia Majka".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

Approved space (room numbers, sizes, capacity and ages of children for which each room/well-defined space is approved, etc.): The child care center is located within a strip mall. The facility is one large room that is approved for child use space.

The room measures approximately 24ft. x 31ft. + 18ft. x 7ft.; providing a total of 870 square feet. This accommodates a capacity of 25 children ages 2.5 through 12 years of age. The licensee is aware that if children age 2.5 - 3 years are in the room the maximum group size is 16.

Equipment: The facility has the required amount of developmentally appropriate equipment for the ages and capacity requested.

Number of sinks and toilets: The facility has a total of 6 handwashing sinks and 3 toilets.

Outdoor play area - location, fenced or not, water hazards: The outdoor play area is a natural playground that is in front of the building. It is fully fenced and there are no water hazards.

Documentation if a lead hazard risk assessment was required and the results: A lead hazard risk assessment is not required because the facility was built in 2018.

Documentation of playground safety: A playground inspection is not required for a natural playground.

B. Program Description

Ages of children served: The facility will serve children ages 2.5 years through 12 years.

Proposed days and hours of operation: The facility will operate Monday through Friday from 7:00 AM to 6:00 PM.

Full or part time (AM or PM sessions or both): The facility will provide full and part time care.

Other program components - transportation, swimming, food service: The facility does not provide food. Parents are required to provide lunch and two snacks for full time care. There is no swimming or transportation component.

Name of program director and under what rules the program director is qualified: Damiah Tucker is qualified as program director under R 400.8113(7)(f) and (12).

Is there a central administrator that meets the administrative requirement? Andrea Losure is the central administrator. She has 3 semester hours in child care administration.

Explanation of variance(s), if any: None

C. Rule/Statutory Violations

The center was in full compliance at the time of the onsite inspection.

IV. RECOMMENDATION

I recommend issuance of an original provisional license to this child care center.
