RE: License #: DC400093874
Kalkaska Mem Intergen Center
419 S. Coral Street
Kalkaska, MI 49646

Dear Ms. Trudeau:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 07/10/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the inspection I observed lunch and rest time in all three classrooms. In the infant/toddler classroom, teachers sat with children while they ate. During rest time in the infant room, teachers were nurturing and responsive to the children when they fussed or cried. I observed lunch and rest time in the preschool room. Teachers sat and talked with children while they ate the food. During rest time teachers sat on the floor next to children’s cots and rubbed their backs while children settled down for rest time. I observed lunch and rest time in the summer camp room. Caregivers were nurturing with children, responding to their needs.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
