Dear Ms. Ashley:

This letter is a follow-up to the on-site inspection conducted at your center on 09/22/2022. The purpose of this inspection was to follow up on safe sleep violations that were cited during the Interim Inspection on 05/12/2022. The rule cited during that inspection was R 400.8188(4).

During my on-site inspection on 09/22/2022, I observed staff rocking children to sleep and then placing them on their backs to sleep. Staff interacted with children in a positive and nurturing manner.

I provided technical assistance on ensuring children are being allowed to sleep on demand.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read 'JMB', written in a cursive style.
