Dear Toni Tyson,

This letter is to advise you that the 6/27/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Follow-up Inspection Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8112(1)	During my on-site inspection children were being tested for hearing and vision. The individual completing the testing had not been fingerprinted and had unsupervised contact to children.	The program director has reviewed requirements for individuals that have contact with children and comprehensive background checks. The program director will ensure that individuals that have not been fingerprinted do not have unsupervised contact to children.	6/25/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
