Dear Ms. Bramble-Romeo:

This letter is to advise you that the 11/14/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited  | Noncompliance observed   | Plan to correct   | Date to be completed |
|--|--|---|----------------------|
| <b>R 400.8112(e)<br/>Comprehensive background check;<br/>fingerprinting.</b> | Child care staff member, Kamari House is a child care staff member at this facility and was present during my inspection. I checked the child care background check (CCBC) system while I was on-site at the facility and Ms. House was not connected to this license. | Licensee designee, Lori Bramble-Romeo will ensure the CCBC system is up to date and current for each facility. The system will be maintained accurately with connection, disconnection, or withdrawn status of staff members. | 11/10/2022           |
| <b>R 400.8315(1)<br/>Food and equipment storage.</b>                         | The refrigerator used to house the milk cartons for the ARCH program did not have a thermometer.   | A thermometer has been placed in the refrigerator that houses the milk.   | 11/14/2022           |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.
