400 Alta Dale, SE  
Ada, MI 49301

Dear Ms. Jewell:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 12/28/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

**R 400.8112                      Comprehensive background check; fingerprinting.**

- (2) An applicant or licensee shall do all of the following:
  - (e) Within the department's child care background check system, accurately complete and maintain the connection, disconnection, or withdrawn status of each individual associated with the license.

During the on-site inspection, child care staff members Regan Vicari and Wendy Zant were not connected to the center's child care background check profile.

Due to the violations, you must send us a corrective action plan by 01/24/2023. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, there will be no change to your license status.
