Dear Mrs. Scott:

This letter is to advise you that the 03/17/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
8113 (2)(a) Program Director qualifications, responsibilities	The program director is not present at the facility full time.	A school aged PD variance request will be submitted for Jennifer Veltkamp.	3/17/2023
8113 (3) Program Director qualifications, responsibilities	The program director was not aware she was responsible for the entire program when she is at the center; she was under the impression she was only in charge of the children and staff from another elementary school that is bussed to the CPLS after school.	A school aged PD variance request will be submitted for Jennifer Veltkamp.	3/17/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,
