Dear Mr./Ms. Lange:

This letter is to advise you that the 10/03/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8131(2) Professional development requirements.	Child care staff members Jeiny Tavarez and Ameri Herrera have not completed training on the prevention of sudden infant death syndrome and use of safe sleep practices before caring for infants and toddlers.	Ms. Tavarez and Ms. Herrera have completed the required training.	09/17/2021
R 400.8173(4)(b) Equipment.	Two wooden chairs in the preschool room were wobbly, these are not considered in good repair.	Ms. Lange has removed the two chairs to be repaired or replaced.	09/17/2021

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,
