Dear Lori Bramble-Romeo,

This letter is to advise you that the 4/12/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8380(7)	During my inspection I observed that the vents in the gymnasium were dusty.	Facilities was contacted on March 29, 2024 to ask to clean the gym vents. The two lower vents have been cleaned as of this afternoon 4/12/24. Custodian stated that he is waiting on the lift to clean the higher vents and doesn't have a date as to when they are delivering the lift to him to use.	Lower vents were cleaned on 4/12/24 for lower vents. Building facilities was contacted on 3/29/24 and again 4/12/24 to clean upper vets.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
