II. Purpose of Addendum

The center requested a modification to remeasure the child care room after renovation and the preschool and kindergarten rooms.

III. Methodology

06/14/2022 Modification request received and an on-site inspection completed.

IV. Description of Findings and Conclusions

The terms of the original license have been modified on 05/31/2013, 09/29/2014, 08/27/2015, 10/23/2018, and 06/14/2022.

St. Patrick Parish Preschool is a program that is part of St. Patrick Parish Elementary School. The program offers preschool sessions, full day child care and before and after school care. The program accepts children between the ages of 3 and 13 years old.

The Child Care Room was expanded with the removal of a wall to combine two rooms. The room now measures approximately 18 ft. by 38 ft., 12 ft. by 13 ft., and 15 ft. by 19 ft. providing for a total of 1125 square feet. This accommodates a capacity of 30 children when the group includes children that are 3 years of age. The room accommodates a capacity of 32 children only when all the children in the group are 4 years of age and older.

The Preschool Room measures approximately 24 ft. by 33 ft. and 8 ft. by 3 ft. x 2, providing for a total of 840 square feet. This accommodates a capacity of 24 children preschool age and older.

The Kindergarten Room measures approximately 24 ft. by 33 ft. and 8 ft. by 3 ft. x 2, providing for a total of 840 square feet. This accommodates a capacity of 24 children preschool age and older.

The gym measures approximately 88 ft. by 64 ft. providing for a total of 5,368 square feet. This accommodates a capacity of 30 children when the group includes children that are 3 years of age. The gym accommodates a capacity of 36 children only when all the children are 4 years of age and older.

The media center measures approximately 32 ft. by 20 ft. providing for a total of 640 square feet. This accommodates a capacity of 18 children preschool age and older.

The cafeteria measured 43 feet by 52 feet providing for a total of 2,236 square feet and more than adequate to accommodate the capacity of 40 children preschool age and older. This accommodates a capacity of 30 children when the group includes children that are 3 years of age. The gym accommodates a capacity of 36 children only when all the children are 4 years of age and older.

The Art Room measures approximately 17 ft. x 46 ft. providing for a total of 782 square feet. This accommodates a capacity of 22 children preschool age and older.

The licensee and director understand that if there is a mixed age group in any classroom, the ratio is based on the ratio and maximum group requirements of the youngest child.

The school has 37 toilets and 12 sinks available for children to use. There is outdoor play space and playground equipment located behind the school.

The school has an adequate equipment and materials inventory to support the capacity.

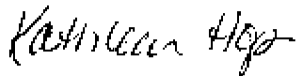

An environmental health inspection was completed on 05/06/2021. The Bureau of Fire Services granted final fire approval on 11/04/2020. A lead hazard risk assessment was completed on 02/03/17.

Terms:

The center is approved for a total capacity of 75 children ages 3 years to 13 years.

V. Recommendation

I recommend approval of the change in capacity of the Child Care Room, Preschool Room and Kindergarten Room.
