Dear Mr. Czarnopys:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 10/06/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During the on-site inspection, I observed the children in care while they engaged in a variety of developmentally appropriate activities. I saw children journaling and using Zoo-phonics methods, playing with manipulative toys and puzzles and engaging in pretend play. I observed children eating snack and playing outdoors and dismissal at the end of the day. The interactions between the children and child care staff members were positive and nurturing.

During calendar year 2019:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
