RE: License #: DC410286732
Milestones Child Development Center
2370 Belmont Center Dr.
Belmont, MI 49306

Dear Ms. Russell:

This letter is to advise you that the 12/20/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8170 (10)	During my on-site inspection, the playground was observed to be slippery and icy.	A larger order of woodchips has been ordered to supply better drainage to avoid ice buildup. Playgrounds will be inspected in the morning to determine if they are safe to use.	12/20/21
R 400.8520 (14)	There were decorations suspended from the ceiling in the young 5's classroom.	All hanging décor has been removed and staff have been informed not to suspend decorations from the ceiling.	12/20/21

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,
