Dear Ms. Barr:

This letter is to advise you that the 06/07/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
400.8137(7)	A diapering policy was not posted in the Toddler 2 room in the diapering area	Policy will be posted. Will monitor classrooms for proper procedure and will do routine checks for proper postings.	06/05/2023
R 400.8380(4)	The carpet transition in the Infant 1 room is missing rubber matting and poses a tripping hazard.	There is a work order in to have this repaired.	On or before 09/05/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
