Dear Mrs. Price:

This letter is to advise you that the 04/15/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
8125(1)	Appropriate care and supervision was not provided to Child A when she crawled out of the classroom into a closet and caregivers did not know she was gone.	Caregivers in the infant classrooms (2) will receive training on “active zoning.” Administrative supervisor will do a face to name in each classroom twice a day and document this process.	04/15/2022 Ongoing
8185(2)(3)(5)	There is no primary caregiving system in place, parents are not provided the assignments, children who transition to another room are not assigned a primary caregiver.	Primary caregiving has been put in place, a policy was provided to license that is followed by the center, the assignments have been posted.	04/15/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
