RE: License #: DC410300295
 Cummings Elementary
 4261 School Craft NW
 Grand Rapids, MI 49534

Dear Mrs. Scott:

This letter is to advise you that the 10/28/2020 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143 (3)(a)(b) Children's records.	During my on-site inspection, there were not immunization records or waivers on file for enrolled children.	Immunization records for all currently enrolled children have already been printed and placed on site.	10/26/20
R 400.8143 (6)© Children's records.	During my on-site inspection, physical evaluations were not on file at the center for enrolled children.	Physical evaluations for all currently enrolled children have already been printed and placed on site.	10/26/20
R 400.8146 (2) Information provided to parents.	There was not written documentation that parents of children in care received the parent handbook.	Written documentation that parents of children in care received the parent handbook has been printed and placed on site.	10/30/20

R 400.8170(9) Outdoor play area.	The playground inspection indicates that 3 year old preschool children are only approved to use specific equipment on the playground, however 3 year old preschool children have been using equipment on the playground that is intended for older children.	The most updated playground inspection has been sent to the PD and appropriate equipment usage will be reviewed.	10/30/20
R 400.8380(1) Maintenance of premises	During my on-site inspection, an unlocked cupboard under the sink in the preschool classroom contained chemicals such as carpet cleaner and 409 surface cleaner.	The chemicals within the unlocked cupboard have been removed.	10/26/2020

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,

Mary Dufon, Licensing Consultant
