Dear Ms. Bramble-Romeo:

This letter is to advise you that the 03/31/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8161(7) Emergency procedures.	One fire drill for 2022 was not recorded.	The program director will ensure fire and tornado drills are documented on the logs. The log will be kept up to date and on file at the center.	03/31/2023
R 400.8325(1) Sanitization.	The multi-purpose tables were not washed, rinsed, and sanitized after dinner. Children were using the tables for homework and activities.	The program director and staff will ensure that multi-purpose tables are washed, rinsed, and sanitized before and after meals. They will ensure this occurs before other activities are completed at the tables after meals.	03/31/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
