Findings of the Inspection

A copy of this renewal inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

The renewal inspection involved a review of all applicable child care center [administrative rules](#) and [statutes](#). Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

During my on-site inspection I observed dinner preparation, arrival, dinner, homework and activity time, outside time, and dismissal. Child care staff members interacted with children in a positive and friendly manner. Staff made sure to follow staff to child ratio and group size requirements. Center, staff, and child records were organized, complete, and made readily available.

As a result of the renewal inspection on 3/4/2024, licensing consultant Jessica Miranda-Bevier did not find any rule or law violations. A regular license will be issued.

If you have any questions regarding the report, please contact licensing consultant, Jessica Miranda-Bevier, at 616-498-5459. In the event that Jessica Miranda-Bevier is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
