Dear VandeWater, Cassi and Lucas, Nicole:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the renewal inspection on 6/23/2020, I found 2 violation(s) listed below and explained in the attached report: listed below and explained in the attached report:

R400.8173(4) Equipment.
R400.8380(1) Maintenance of premises.

Due to the violations, you must send us a corrective action plan by 7/16/2020. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, a regular license will be issued. You will receive it in the mail.

During calendar year 2019:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (616) 356-0183

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Stacia L. Thrower, Licensing Consultant

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.8173

Equipment.

(4) Play equipment, materials, and furniture, must be all of the following:

(b) Safe, clean, and in good repair.

A vinyl activity mat used in the infant classroom is torn in several areas.

R 400.8380

Maintenance of premises.

(1) The premises must be maintained in a clean and safe condition and must not pose a threat to health or safety.

A custodian closet was left unlocked and open making cleaning products and an electrical cord accessible to children.

IV. RECOMMENDATION

Upon receipt of an acceptable corrective action plan, I recommend issuance of a regular license to this child care center.
