Dear Mrs. Walczewski:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 02/17/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During my on-site inspection I observed child care children working on homework. I observed positive interactions between staff and children in care. There are currently 35 children enrolled in the program.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (616) 356-0183.

Sincerely,
