Dear Ms. Russell:

This letter is to advise you that the 02/03/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125 (1)	Child Care Staff member Hannan Crumb did not provide appropriate care and supervision of children at all times when she was trying to supervision children both inside the classroom and on the playground at the same time from a doorway.	All staff will communicate with all staff members on the playground when needing to assist a child inside to ensure all areas of the playground are appropriately supervised. Administration will continue to monitor the playground throughout the day to ensure staff members are spaced out appropriately.	Immediately and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,
