Dear Ms. Russell:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 07/12/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During my on-site inspection I observed free play, snack service, successful transition from one activity to another, music and movement activities, arts and crafts activities, rest time, infant feeding and sleeping, story time, outdoor play, and positive and nurturing interactions between staff and child care children.

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	1
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
