Dear Mr. Franconi:

This letter is to advise you that the 10/27/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved. The special investigation has been closed.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
<b>R 400.8125(1) Staff; volunteer; requirements.</b>	Appropriate care and supervision is not provided when preschool aged children are allowed to run ahead of staff members and to walk from the cafeteria to the classroom without being supervised.	Child care staff will walk in front and behind the line of children during transitions. Mr. Franconi will monitor to ensure this is happening.	10/27/2022
<b>R400.8112(3) Comprehensive background check; fingerprinting.</b>	On September 20, 2022, Ms. Quakenbush was left unsupervised with child care children while they were outside on the playground.	Mr. Franconi will ensure that staff are not left unsupervised until comprehensive background checks are complete. Mr. Franconi will monitor the child	10/27/2022

		care background check system to ensure eligibility.	
<b>R 400.8173(4)(c) Equipment.</b>	The tables used by the child care children in the cafeteria are not child-sized or adapted for their use.	The program has purchased and placed child sized tables and chairs in the cafeteria for the preschool children to use. Mr. Franconi will ensure these are used by the preschool children.	10/27/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
