This letter is to advise you that the 3/31/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8340(3)	In classrooms 119 and 107, there were food and beverages provided by parents that were not labeled with the required information.	Sending out a reminder to parents regarding labeling and pointing out the available labeling stations at the school. We also posted on our announcements board the correct labeling information.	4/1/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
