8113(3)	During my onsite inspection I spoke to Aubree Taylor who stated she works as a lead child care staff member in a classroom and denied working in the program director role. Ms. Taylor along with all the child care staff member working on 9/8/2021 confirmed that Cassandra Martin works in the program director role. Ms. Taylor is currently approved as the center's program director. Ms. Martin	Aubree Taylor (Myers) has been given duties and time to act as the director at this site. Parents and staff have been notified that she is the contact for questions or concerns.	Immediately

	is not currently approved as the center's program director.		
8315(1)	There was not a thermometer in the refrigerator in room 403.	Thermometers have been ordered and will be placed in all fridges upon delivery.	10/04/2021

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
