Dear Ms. Reynolds:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 10/21/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (810) 787-7031.

Sincerely,

A handwritten signature in black ink that reads "Catherine Edgar". The script is cursive and fluid, with the first name and last name clearly legible.
