**III. DESCRIPTION OF FINDINGS & CONCLUSIONS**

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

**R 400.8112**

**Comprehensive background check; fingerprinting.**

**(2) An applicant or licensee shall do all of the following:**

**(a) Ensure that each individual who requires an eligibility determination under subrule (1) of this rule completes, signs, and submits all of the information required in subrule (5) of this rule, and in subrule (6) of this rule if applicable, on a form prescribed by the department. The forms are available on the department's website for the child care background check system, [www.michigan.gov/ccbc](http://www.michigan.gov/ccbc). The form or forms must be signed and dated prior to the individual's appointment to be fingerprinted.**

**(b) Maintain a copy of the completed and signed form or forms for each individual entered into the child care background check system under the license.**

**(c) Provide to the department, upon request, a copy of the individual's completed and signed form or forms.**

**(d) Establish and activate an account and accurately enroll each individual listed in subrule (1) of this rule in the child care background check system.**

**(e) Within the department's child care background check system, accurately complete and maintain the connection, disconnection, or withdrawn status of each individual associated with the license.**

**(f) Immediately disconnect each individual from the system once he or she is no longer a licensee, licensee designee, child care staff member, child care aide, or an unsupervised volunteer under the license.**

At the time of the onsite inspection, caregiver Kathleen Campbell's federal background check had not been linked to the facility. I was able to confirm that Ms. Campbell did have the required Federal Background check, however.

**R 400.8131**

**Professional development requirements.**

**(5) Within 90 days of being hired, or the first day as an unsupervised volunteer, all child care staff members and unsupervised volunteers who work directly with children shall complete the following trainings, which may count toward annual professional development hours and are available at MiRegistry:**

**(a) Administration of medication.**

**(b) Prevention of and response to emergencies due to food and allergic reactions.**

- (c) Building and physical premises safety.
- (d) Emergency preparedness and response planning.
- (e) Handling and storage of hazardous materials and appropriate disposal of bio-contaminants.
- (f) Precautions in transporting children, if applicable.
- (g) Child development.

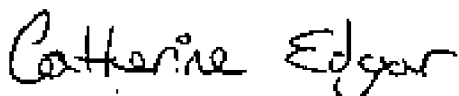

At the time of the onsite inspection, caregiver Kathleen Campbell had not completed the required Health and Safety Training 1 & 2 through [www.miRegistry.org](http://www.miRegistry.org). Information regarding this is enclosed with this report.

A corrective action plan was requested and approved on 04/22/2021. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

\*Technical assistance and consultation were given regarding licensing rule R 400.8113(9) – Program director qualifications; responsibilities. (The proposed new program director, Kathleen Campbell, does not currently have the required 2 semester hours, 3 ceus, or 30 hours of admin. training through [www.MiRegistry.org](http://www.MiRegistry.org). I was able to confirm that Ms. Campbell has .2 ceus towards this requirement. Ms. Campbell can be named as program director, with Deb Reynolds serving as Central Administrator while Ms. Campbell obtains the required administration training once Ms. Campbell has been added to the center's Federal Background Check System.

#### IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
