RE: License # DC440096681
Suncrest Day Care Center
1455 Suncrest Dr
Lapeer, MI 48446

Dear Ms. McCaslin:

This letter is a follow-up to the Incident Report received on January 31, 2023. The purpose of this letter was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The following rule violations have been found:

R 400.8380	Maintenance of premises
	(1) The Premises must be maintained in a clean and safe condition and must not pose a threat to health of safety.
On 1/30/2023, Child A (male, age 3 ½) suffered a broken bone in his foot after another child pushed down the dress-up shelf in the Preschool room. On 02/02/2023, I received photographic evidence that the dress-up shelf had been secured to the wall.	

Due to one or more rule violations, a written corrective action plan is required. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.

- The signature of the responsible party and a date.

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
