Dear Ms. Heddy:

This letter is to advise you that the 01/05/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8365(2) – Heating; temperature.	Classroom E103 had temperatures below 65 degrees on 1/3/2022 due to furnace issues.	The furnace has been repaired and the licensee designee has agreed to use another classroom for preschool should there be another furnace issue in which a classroom temperature of at least 65 degrees can not be maintained.	01/05/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,

A handwritten signature in cursive script that reads "Catherine Edgar".
