Approved Child Use Space:

Lenawee Votech Childcare is located inside Lenawee Intermediate School District Tech Center, which is an active school building serving children grades 8-12. The center utilizes three rooms as approved child use space: Room T1(classroom), Room T2(gross motor), and Room T3 (classroom).

The center offers both parttime and fulltime infant and toddler childcare and early childhood education for teenage parents that are enrolled in the School District Monday through Friday from 8:00 am until 3:00 pm, through the school year. The parents provide the formula for the children until they are one years old. The center will provide breakfast, lunch and snacks for children ages 1 – 6 years old. The snacks and meals provided are prepared in a centralized kitchen operated by Adrian Public Schools. The snacks and meals consist of fresh food and prepackaged food items that are prepared in accordance with the Children and Adult Care Food Program requirements. Transportation is provided by the parents.

During my onsite inspection on 12/05/22, I observed the children during mealtime and freedom of choice activities. All the rooms were equipped with an adequate amount of age-appropriate play and learning equipment conducive to an infant and toddler child care setting. The center provides the Parents and children with daily learning and parent educational learning activities. Caregiver interactions with children were positive and nurturing.

Approved Program Director: Ms. JoAnn Leupp is the approved program director
Approved Central Administrator: None
Approved Variances: None
Key Indicator Inspection: No

The facility is in compliance with all applicable rules and statutes.
