Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

As a result of the Interiminspection(s) on 11/2/2023, licensing consultant Timothy Swope did not find any rule or law violations.

I observed appropriate interaction between the child care staff members and the child care children. I observed the children during freedom of choice activities and nap and rest time. Other daily activities that the children engage in include outdoor play, snack, lunch, small and large group activities, arts and

crafts, and various preschool activities to include, letter and number recognition, learning shapes, music and reading.

If you have any questions regarding the report, please contact licensing consultant, Timothy Swope, at . In the event that Timothy Swope is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
