RE: License #: DC460022548
Adrian Headstart at Hudson
746 N. Maple Grove
Hudson, MI 49247

Dear Mr. Bull:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 01/08/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection, there were no children present due to the head start program conducting virtual programming during the Covid-19 Pandemic. I will observe interaction with the caregivers and children at a later date when the head start resumes programming.

During calendar year 2019:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 262-9838.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
