Dear Ms. Hofflander:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 05/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers. As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection, I observed children initiated in snack time and homework. I also observed parents and children during pick up at the end of the day. Caregiver interactions with children were positive and nurturing.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
