The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

As a result of the Interim inspection(s) on 11/2/2023, licensing consultant Timothy Swope did not find any rule or law violations.

I observed appropriate interaction between the child care staff members and the child care children. I observed the children during small and large group activities and lunch time. Other daily activities that the children engage in include outdoor play, snack, small and large group activities, nap/rest time, arts and crafts, and various preschool activities to include, letter and number recognition, learning shapes, music and reading.
