Dear Ms. Bird:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 11/14/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

The center provides school age care and operates all year round. The does not participate in transportation. The center participates in swimming. The food is provided by a licensed kitchen.

During the on-site inspection, I observed the children engaged in snack and free play.
