The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

As a result of the Interim inspection on 10/5/2023, licensing consultant Timothy Swope did not find any rule or law violations.

I observed appropriate interaction between the child care staff members and the child care children. I observed the children during a creative activity, freedom of choice activities, outdoor play, and infant feeding. Other daily activities that the children engage in include snack, lunch, small and large group activities, nap/rest time, arts and crafts, and various preschool activities to include, letter and number recognition, learning shapes, music and reading.

If you have any questions regarding the report, please contact licensing consultant, Timothy Swope, at . In the event that Timothy Swope is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
