Dear Ms. Dodson:

This letter is to advise you that the 02/04/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8128 Staff; volunteer; tuberculosis.	One staff members file did not have written documentation on file verifying the staff member is free from tuberculosis.	I, Ms. Nichole Dodson, licensee designee was found in noncompliance of this licensing rule. Although the staff member had a tuberculosis test completed, her test results were misplaced and unable to be located at the time of renewal. I will have the staff members get another copy of her tuberculosis test results	2/4/2021

		<p>verifying freedom from tuberculosis and keep it in file at the center. This violation has been corrected and will be maintained.</p>	
<p>R400.8161(1)(c) Emergency procedures.</p>	<p>The centers written emergency procedures did not include emergencies that included natural or man-made disasters.</p>	<p>I, Ms. Nichole Dodson, licensee designee was found in noncompliance of this licensing rule. I will add natural or man-made disasters, to include but not be limited to flooding and power outages to our emergency procedures. I will assure all staff are made aware of these emergency procedures along with our policy on what to do in case of these emergencies. I will also keep the emergency procedures posted in a conspicuous place in the center for all staff and persons to view. This violation has been corrected and will be maintained.</p>	<p>2/4/2021</p>
<p>R400.8305(2)(c) Plan review; approval; inspections.</p>	<p>The centers last environmental health department inspection was completed in December of 2018; a new environmental health inspection was needed to be completed at the time of renewal.</p>	<p>I, Ms. Nichole Dodson, licensee designee was found in noncompliance of this licensing rule. I will assure that the center has an environmental health inspection completed by the local health department, every two</p>	<p>2/4/2021</p>

		<p>years, at the time of renewal. I have ordered a health inspection with the local health department. Upon completion of the inspection, if the results are less than an "A" rating, I will take immediate measures to rectify the problems keeping the center from receiving an "A" rating. This violation has been corrected and will be maintained.</p>	
<p>R400.8510(5) Plans and specifications; submission; approval; inspections.</p>	<p>The centers fuel-fired furnace's last inspection was completed in October of 2018; a new inspection is needed to be completed by a licensed mechanical contractor every two years, at the time of renewal.</p>	<p>I, Ms. Nichole Dodson, licensee designee was found in noncompliance of this licensing rule. I will assure that the centers fuel-fired furnace is inspected by a licensed mechanical contractor every two years, at the time of renewal. I have ordered an inspection to be completed by a licensed mechanical contractor. Upon completion of the inspection, if the inspection results indicate there are any issues with the fuel-fired furnace, I will take immediate measures to rectify the problems to assure the furnace is in safe and good operating condition.
