Dear Ms. Dayharsh:

This letter is to advise you that the 02/22/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8330 Food services and nutrition generally.	A child care staff member fed Child A, age 2 months at the time, baby food prior to having a licensed health care provider's note on file. The child care staff members discontinued feeding Child A baby food after reviewing the licensing rules. At the time of the investigation, Child A did not have a doctor's note on file indicating Child A should be fed anything but	Licensee designee Bridget Dayharsh will assure that all infants will be served formula only to drink unless written authorization is provided by the child's licensed health care provider. Ms. Dayharsh will review infant food service and nutrition requirements with all child care staff members by 3/1/2023.	2/1/2023

	formula. According to the Child and Adult Care Food Program children under the age of 6 months should be feed breastmilk or formula.
