Dear Mrs. Roesler:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 08/09/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers. As a result of the inspection, I did not find any rule or law violations.

I observed appropriate interaction between the child care staff members and the child care children. I observed the children during small and large group activities and outdoor play. Other daily activities that the children engage in include snack, lunch, nap/rest time, arts and crafts, and various preschool activities to include, letter and number recognition, learning shapes, music and reading.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
