Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

As a result of the Interiminspection(s) on 12/7/2023, licensing consultant Timothy Swope did not find any rule or law violations.

During the on-site inspection, there were no children present due to the before/After school-age program having already dismissed for the day. I will observe interaction with the child care staff members and children at a later date when the before/after school-age program resumes programming.

If you have any questions regarding the report, please contact licensing consultant, Timothy Swope, at (517) 262-9838. In the event that Timothy Swope is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
